

EAC Meeting – April 28, 2010

Present: Darryl Speicher, Sally Duffy, Patti O'Keefe, John Styk, Dale Price, Paul Stotsenberg

Public: Mike Stirr, Marty Price

New Business:

Darryl attended the Supervisors meeting on April 6 about management plans. He got a copy of the DCNR regulations for state parks, of interest specifically are the trespass laws. He supplied a suggested plan for the EAC to review for recommendation to the Supervisors.

Supervisors approved the construction of a Community Garden at the field at Pasold Farm Preserve. Marty Price will contact Jackie Ocker in Smithfield Twp. for some suggestions on what would be involved. This garden could include an educational component with the local schools.

John Styk reported on his review of the Act 537. Some discrepancies on location names and spellings and minor mistakes will be forwarded to the Supervisors.

Meeting adjourned at 8:10 p.m.
