

EAC Meeting – May 26, 2010

Present: Sally Duffy, Patti O'Keefe, Dale Price, Paul Stotsenburg

New Business:

Pasold Farm Community Garden is on hold while Todd W. finds out if it is allowed on passive recreation land. Concerned Citizens and the Historical Association have volunteered to guide this program, and hope to involve the public and the local schools.

Gravel Property manure pile was discussed. The Monroe County Conservation district is in contact with the Supervisors on how to manage the disposal. State regulations must be followed.

The EAC requests a new appointee as Laurie Guthrie has not attended a meeting or communicated to the Committee.

Meeting adjourned at 7:45 p.m.
