

Barrett Safety Committee
February 18, 2010

The monthly Barrett Safety Committee meeting was held on Thursday, February 18, 2010 at the Barrett Township Municipal Building on Rte. 390 in Mountainhome, Pa. The meeting was called to order at 8:00 a.m. by Jim Siglin, Chairman.

Present: Jim Siglin, Paul Stotsenburg, John Seese, Steven R. Williams, Shane Schratt, Cheryl Howard, Jeff Siglin, William Carey and Brian Block with Brown & Brown Insurance Agency.

The minutes of the January 19, 2010 meeting were reviewed. As there were no corrections or additions to the minutes, they were approved as reviewed.

It was noted that this was the annual certification training and Brian Block was present to perform the training and certify the Safety Committee.

Discussion was held on Seasonal issues to be aware of and to incorporate into training. Discussion was also held on CDL training.

It was noted there were no accidents reported.

Due to the diversity of the departments in the township, Police, Roads and maintenance, Office, Sewage and Zoning, discussion was held on the individual departments holding training during the month and reporting on such training at the Safety Committee meeting. On occasion if an issue or training event can pertain to the overall training, it can be done as an entire group.

It was noted that the next meeting would be held on Tuesday, March 8, 2010.

As there was no further discussion, the meeting was adjourned at 9:30 a.m.

Respectfully submitted,

Secretary
